

3. STUDENT DRESS POLICY

Expectations for dress are as follows:

In an effort to take the most cost effective route, families may purchase uniforms from any store (new or used).

Please note Saint Ambrose Academy is a Catholic organization. We believe Christ is the source of all knowledge and truth, therefore Catholic doctrine, morals, and culture will be a core part of all classes with SAA. Enrollment in this organization requires that each student fully abides by our Statement of Faith and agrees not to speak against it nor wear any attire or accessories that conflicts with our beliefs while at SAA or any SAA related event.
