

ENVELOPE FUNDRAISER

St. Ambrose Academy

Who are we?

St. Ambrose Academy is a classical homeschool hybrid cooperative. We create a unique support space for Catholic homeschooling families in the surrounding Pittsburgh area and foster a spirit of community among participating families. Since SAA's founding, 6 years ago, our student body has grown from 32 students to just under 200.

How can you help?

We have 400 virtual envelopes all needing to be claimed! Choose one or more envelope ranging from \$1 - \$400 and make a contribution matching the amount.

What will your gift do?

The fundraiser proceeds will support our Building Impact Fund, ensuring safety upgrades for our students and staff. With your generous contributions, we're fortifying infrastructure, enhancing security measures, and accommodating the increasing needs of our growing student body, fostering a thriving educational environment for all.
